

Jointly organized by

Special Session on

CAREERS IN
NON-DESTRUCTIVE EVALUATION
(NDE)

25 Nov, 2022 3:00 pm to 6:30 pm

Are you an upcoming undergraduate / postgraduate in

Physics, Mathematics, Civil / Mechanical / Electrical/Electronics/ Instrumentation/ Computer Science/ Data Science / Metallurgical / Materials / Mechatronics Engineering /

THEN READ ON!

Each one of you have a possible career opportunity in the highly interdisciplinary and exciting domain of Non-destructive Evaluation (NDE)

Did you know that

NDE is used in almost every single industry you can think of (Aerospace, Defence, Automotive, Oil& Gas, Nuclear, Power, Renewables, Manufacturing, Electronics)?

Do you know

Simulation/Modeling, Sensor design /miniaturization, Instrument design & manufacturing, Signal/Image Processing, AI/ML, AR/VR, Robotics/Drones, Digital Twins - all play an important role in the field of NDE and Inspection?

Look around you and the chances are NDE was used at some stage in the product you are looking at right now!

WART TO LEARN MORE Here is a Golden opportunity for you right

Come attend this absolutely FREE

Special Session on

CAREERS IN NON-DESTRUCTIVE EVALUATION (NDE)

25 Nov, 2022 3:00 pm to 6:30 pm

90 minutes

at your doorstep

exclusive session in MMCEC auditorium, Gandhinagar

+ 120 minutes

tour of state-of-the-art exhibition

FREE ENTRY

Free Entry to both students & faculty for members of engineering colleges in Gandhingar/ Ahmedabad /surrounding areas for Online registered members (first come first serve) before November 20, 2022 (limited to 250 max.)

E-certificate

Participation E-certificate for all attendees VISIT www.isndnde.in to REGISTER NOW!

Session Chairman

Mr. V Manoharan

Principal Technologist, VisiConsult X-ray Systems & Solutions, Retd. Senior Scientist, GE Research / BARC / IGCAR

Session Co-chairman

Dr. Vishvesh Badheka

Head & Professor, Dept of Mechanical Engineering, School of Technology, Pandit Deendayal Energy University, Gandhinagar

Special Session on

CAREERS IN NON-DESTRUCTIVE EVALUATION (NDE)

25 Nov, 2022 3:00 pm to 6:30 pm

Excellent opportunity to hear, learn and Interact with industry experts
